PROFILE

Multidisciplinary digital creative with experience in UX/UI design, audiovisual production and content creation. Experienced across design, filming, editing and digital product workflows. Seeking opportunities in UX/UI, digital design and creative production.

EXPERIENCE

- UX/UI Designer & Creative Collaborator.

2025 – Pinta: Coloring Studio. Remote.

 - Contributed UI Design and visual direction for a published creative iOS app – Figma concepts, interactive prototyping, and early user testing.
 - Designed visual assets and templates for in-app content and supporting social media communication.
- Video Editor Intership.

2023 – Granada CF. Intership. Granada, Spain.

 - Produced and edited video and photo content for matchdays, press conferences, and club campaigns across men’s, women’s and academy teams.
 - Delivered social media assets – match highlights, reels, and promotional pieces – within tight post-match turnaround windows.
- Audiovisual Technician Intership.

2021 – Universidad de Granada. Intership. Granada, Spain.

 - Produced and edited video and photo content for matchdays, press conferences, and club campaigns across men’s, women’s and academy teams.
 - Delivered social media assets – match highlights, reels, and promotional pieces – within tight post-match turnaround windows.
- Community Manager.

2020 – Granabip. Asociación Bipolares. Intership. Granada, Spain.

 - Produced and edited video and photo content for matchdays, press conferences, and club campaigns across men’s, women’s and academy teams.
 - Delivered social media assets – match highlights, reels, and promotional pieces – within tight post-match turnaround windows.
- Videographer & Photography Assistant.

César Zarcos. Freelance. Andalucía, Spain.

 - Assisted with video and photo coverage for weddings and live events – capture, setup, and post-production editing.
